

#11February

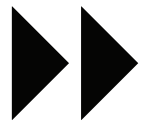

International day of **women and girls in science**

Celebrating the achievements and contributions of exceptional women.

Meet Dr. Nuria Kotecki

medical oncologist at the Jules Bordet Institut and executive officer for the Oncodistinct Network in Brussels, Belgium.

Dr. Nuria Kotecki graduated from Lille 2 University of Health and Law in 2014.

Over the course of her career, she has made a significant impact in the field of cancer research and early development of innovative medical therapeutics for solid tumor patients.

Dr. Nuria Kotecki is a respected member of scientific organizations including ASCO, ESMO and AACR.

“*Women need science as much as science needs women, and it is up to us to make sure they are heard.*”

#11February

**Thank you
Dr. Nuria Kotecki!
You are an inspiration
to us all!**
